

## Game of Golf Institute Consent Form

### PLEASE PRINT THIS FORM AND GIVE TO YOUR PARENT/ LEGAL GUARDIAN

Dear Parent/Legal Guardian:

Your child is considering becoming a participant on the Game of Golf Institute ([www.mygogi.org](http://www.mygogi.org)) website. Game of Golf Institute (GOGI) is a 501(c)(3) nonprofit organization with a mission to advance the enjoyment and growth of golf, especially among youth, women and those underserved by the game. The GOGI website is completely free to use and allows recreational golfers to upload, track, analyze and share key aspects of their golf game.

We are committed to providing your child a safe place to learn and explore, especially for children under the age of 13. Because your child is under age 13, GOGI requires your permission to use GOGI's website features, including:

- Creating a personal profile where your child can specify golf interests, golf gear, playing ability and goals.
- The ability to upload golf photos and videos that can be shared with friends, family and instructors on GOGI.
- The ability to upload golf scores and receive automated analysis of scores (i.e., "Average Putts Per Hole," "Greens in Regulation") and estimated handicap.
- The ability to upload golf swings and receive analysis of golf swings from friends, family and instructors on GOGI.
- Access to an online learning center of 140 golf instructional and golf exercise videos.
- The ability to connect and communicate online with friends, family and instructors.
- The ability to form golf groups with friends, family and instructors.
- The ability to schedule golf events (rounds, practice sessions, lessons) with friends, family and instructors.

### How GOGI Protects Your Child's Information

GOGI has implemented special safety measures and privacy controls to protect the data of any youth member under the age of 18 ("Minor") including:

- Minors that register on GOGI will be identified on our site by first name and first initial of their last name (for example, "Alex F.") only – never a full name.
- By default, other GOGI members cannot see any information (profile data, stats, photos, etc.) of any Minor, unless that GOGI member is a "GOGI Friend" of that Minor on the GOGI website. A "GOGI Friend" is a member of the GOGI community that has sent or received a formal request to be a friend of the Minor using GOGI's online communication tools. The Minor can choose to accept or deny ANY friend request. If the Minor accepts the Friend Request, that GOGI member becomes a "GOGI Friend" of the Minor and allowed to view content (photos, videos, golf scores) posted by the Minor that the Minor has chosen to be visible to GOGI Friends in his or her permissions settings. Examples of GOGI Friends include friends, family and instructors known by the Minor and his or her parents. Please note that any communication, interaction and/or friend requests among the Minor and other GOGI members is clearly viewable within the Minor's profile information and usage history. Therefore, GOGI recommends to parents of GOGI participants to regularly monitor and supervise your child's activities on GOGI. Parents may, for example, want to set rules for your child about whom he or she can talk to, what discussion topics are allowed, and what personal information, if any, is okay to share.
- GOGI does not share any Minor personal contact information such as email addresses, phone numbers, date of birth, address, etc. with any GOGI members at any time.
- Personally identifiable data (name, address, email, phone number) is NEVER sold to third parties.
- All GOGI members own their own data
- All GOGI members can delete their own data, modify profile information or close their account at any time.
